

Dear SMRP Families and Staff

It's been another great year for SMRP PTFA and we would like to celebrate the amazing fundraising total we have collectively achieved. We have raised over £11K! It's an incredible result and we are so grateful to everyone for their support across all our events and fundraising channels. The following reports show all fundraising and spending activity this academic year.

On Monday 22nd July we are organising an end of term treat in the form of SMRP's first COLOUR RUN!! We hope the sun is shining and the children enjoy a fun afternoon in the park. Please visit our website for more info and a reminder of what to do on the day.

We look forward to seeing everyone in September.

FAREWELLS

We would like to say farewell to Mr Carpenter who is sadly leaving SMRP after his interim position. He has been a great support to the school and we wish him all the best for his next role.

We would also like to send a big goodbye to the Year 6 leavers and wish them all the very best with their transition to secondary school. Many Year 6 parents and carers have been active on the PTFA, so thank you to all those who have contributed their time and skills.

WAYS TO SUPPORT

STANDING ORDER: A huge thanks to those already giving a regular donation via standing orders. Perhaps others may still be considering setting one up? JOIN THE PTFA: We are always looking for new members, whether that is volunteering at events or being an active Committee Members. Without members/volunteers SMRP PTFA will not be able to continue to run. Please get in touch if you would like to join/discuss this further.

School Lottery: Why not buy a weekly lottery ticket for just £1? Our new school lottery is a great way to provide a regular donation!
