

SMRP Knowledge Organiser for Year 1—How is Africa different from Europe?

Geography Knowledge

There are seven continents in the world: North America, South America, Europe, Africa, Asia, Oceania, Antarctica.

There are five oceans in the world: Pacific Ocean, Atlantic Ocean, Indian Ocean, Arctic Ocean and Southern Ocean.

Physical features are natural.

Human features are man made.

A physical features in Malawi is Lake Malawi.

A human feature of Malawi is Zomba, a city in Malawi (where Miss Shreeve lived!)

Houses in Malawi are different from houses in Bristol.

Malawi is a country in Africa.

Mrs Stacey enjoying a meal with a family in Malawi
